

*Learning for Life*

## **Fawbert & Barnard's (Undl) Primary School**

### Year One - Autumn

September 2014

Dear Parents,

During this term your child will be studying the following theme: London  
Please see overleaf for an overview of this theme.

The core subjects of English and Maths are outlined below, although links with the theme will be made where possible.

#### English

- To read high frequency words and phonically decodable words.
- To re-read books to help with fluency.
- To recognise capital letters and full stops when reading, naming them correctly and applying them to writing.
- To say out loud what they are going to write about.
- To write a sequence of sentences.
- To re-read what has been written and begin to improve writing.
- To join words with 'and'.
- Name letters of the alphabet in order.

#### Maths

- To count on in ones from any number to 100.
- To give the number one more or less than a given number to 100.
- To recognise the value of the tens in two digit numbers.
- To understand the operations of addition and subtraction.
- To recognise coins and understand their values.
- To recognise, name and discuss the properties of 3D shapes.
- To recognise pairs of numbers and number bonds to 10.
- To add 1, 2 or 3 to a number by counting on.
- To read and write numbers and number-names to 20.

Please help your child in their study, with the following activities:

- Read with your child every day, encouraging them to blend the sounds that make up the word.
- Practise number and letter formation.
- Practise speaking in full sentences and writing them down with capital letters and full stops.
- Mental maths activities including addition, subtraction, problem solving, number bonds and work with money.

We hope that this information will help you support your child's learning this term. Meanwhile if you have any further questions, or would like to know more then please speak to me.

Thank you for your support.

Hannah George

Y1 Class teacher
