Dear Parent

### COVID UPDATE

The Prime Minister announced on 27 November the temporary introduction of new measures as a result of the Omicron variant. In primary schools, the Government recommend that face coverings should be worn by staff and adults (including visitors) when moving around in corridors and communal areas. Health advice continues to be that children in primary schools should not be asked to wear face coverings. Any children wearing them to school, will be asked to remove them and place them in a plastic bag until the end of the day.

From tomorrow all visitors, including parents, will be asked to wear a face mask whilst on the school site. Staff will be wearing face masks when not directly teaching phonics to the children.

At the present time the music concert will take place for those who have been invited and numbers are limited to 30 parents who will be socially distanced. Lateral flow test should be completed before and face masks worn whilst on the school site.

Other events will be reviewed nearer the time and decisions made as to how best to proceed.

Thank you for your continued support.

Yours sincerely
