Dear Parents and Carers,

Welcome to the end of our first full week back at school. Despite the cold weather, it has been a settled and positive week. As expected after a first full week, many children – and staff – were feeling a little tired by the end of today and ready for a well-deserved rest.

After-school clubs also started again this week, and it has been wonderful to see so many children keen to take up their places. I would like to take this opportunity to give a huge thank you to the staff who give their time to run these clubs. We are incredibly fortunate to have a team that cares deeply about our children's personal development beyond the academic curriculum. At the moment, Mr Cooper's Comic Club and Mrs Hutchinson and Mrs Abbott's Creative Clubs are proving particularly popular – perhaps the Rich Tea biscuits are part of their success!

You may recall that last term our Reception classroom was affected by flooding, which meant the class had to be temporarily relocated. We are now halfway through the restoration work and hope to be able to share a confirmed return date soon. I am pleased to report that the outdoor environment is now fully back in use, and the children have been able to enjoy their resources again this week to support their learning. Thank you, as always, for your continued support – particularly to our Reception and Year 3 families.

This half term, we would like to place a strong focus on reading at home every day. Regular reading makes a significant difference to children's progress and confidence. I have included some helpful ideas on page 3 to support reading at home with your child.

I wish you all a very lovely weekend and hope the weather is kind to us.

Warm regards,
Sophia Ovonen
Headteacher

Reading at Home Makes a Difference

Why reading at home matters

Builds
vocabulary
and language

Improves
reading fluency
and comprehension

Supports
confidence and
wellbeing

Strengthens
parent-child
relationships

Children who read at
home regularly make up
to **6 months** more progress
in reading.

Just **10 minutes** of reading
a day exposes children to
thousands of new words a year

Children who **enjoy**
reading are more likely
to succeed across all subjects

A few minutes every day really adds up.

Healthy Screen Time Guidelines

0-2 Years:
No Screen Time

2-5 Years:
Up to 1 Hour/Day

5-18 Years:
Up to 2 Hours/Day

What is Cyberbullying?

About **1 in 3** children have experienced cyberbullying.
Girls are affected **slightly more** than boys.
