

# RSE at Home: Primary

**Relationship and Sex Education workshop created especially for Essex parents and carers, of Primary school aged children.**

Talking to young people about their sexual health can be a challenging experience. In this training, we draw on our 55 years of expertise of talking to young people about their sexual health and provide a comprehensive overview of the information that you need to know.

Our Education and Wellbeing Specialists will explore;

- **How the new legislation will impact on your child**
- **What it means for primary school students**
- **What is taught and why we teach it**
- **How you can continue those conversations at home.**

There will be time reserved for questions and how Brook can provide further support.

**Mon, 14<sup>th</sup> February 2022**

**18:00 – 19:30**
