

NET Academies Trust Vision: 'Shaping Futures'

NET is a Multi Academy Trust comprising of six primary schools in Essex.

We aim to create model schools through which we will be leading innovation in improving educational outcomes for all. **High quality provision, evidenced based best practice in pedagogy and effective staff development** are common features in all our schools.

Mission:

Our mission as a growing Multi-Academy Trust is to ensure education **provides children with life-fulfilling opportunities and the freedom to make choices about their future.**

Vision:

We aim to provide **academic success**, **physical development** and **positive wellbeing** for all pupils regardless of learning differences. We achieve this by focusing on collaboration, continuous improvement and community spirit.
