Dear Parents / Carers

### **PREPARATION FOR REMOTE LEARNING**

Following government guidance, we are developing our remote learning, so that should a bubble or the school have to close due to the corona virus, we will be able to continue learning online. This will be in a more advanced way than during the summer, with live lessons your children can take part in.

Last week we sent a survey home to establish who might need some support with equipment or the internet to allow greater remote learning than previously delivered. Thank you for completing this, we will be working with you to help provide what is needed, in the event of a bubble isolating or school closure.

Today we are sending home a book for the purpose of home learning, at the moment this book does not need to be used unless your child is at home for Corona Virus related reasons (awaiting a test or in quarantine).

Teachers are currently supplying some work for those children who are in the above situation along with teaching the children who are in school. This work is displayed on the class page as children are identified as being at home and an email is sent to you to ensure you also get the daily learning at the end of the day. All their work should be uploaded onto Seesaw or Tapestry, daily.

If a whole bubble had to isolate or the school close then learning would move to online lessons. Attached is our remote learning policy – draft, so that you are aware of the staff commitment to continuing your child's learning and the role you and your child will take with this. Any comments you wish to share about this can be forwarded to [admin@fawbert-barnards.essex.sch.uk](mailto:admin@fawbert-barnards.essex.sch.uk) before 12th October.

Finally, we need your consent for your child to take part in zoom meetings and a letter with a parent mail acknowledgement is also being sent to you today.

Fawbert & Barnard's Primary School fully complies with information legislation. For the full details on how we use your personal information please see <https://www.fandbharlow.uk/page/?title=GDPR&pid=217> or call the number below if you are unable to access the internet.

We're working  
towards Artsmark  
Awarded by Arts  
Council England

At this time we have no plans to isolate bubbles or close, but we want to be prepared to ensure that should such an event happen we can transfer seamlessly to remote learning so that there are no gaps in your child's learning.

Yours sincerely
