

Welcome to our new menu which includes many of the children's favourites. This term we are offering the popular "Grab a Bag" option to our Year 6 pupils on a daily basis, along with trialling this option to Y3-5 on a weekly rotation. Please see the menu for further information of when this is available for your class.

Our team work hard and are doing everything they can to make the school meal experience a pleasant one for the children. Following feedback from our dinner survey we rotate classes each week and link the younger classes with the older ones so they can help each other. This also speeds up our service allowing more time for the children to play. Our Mid-day Assistants take the time to encourage the children to eat their meals and will inform class teachers if they are not eating well. If you have any questions or concerns our Catering Manager, Mrs Chris Cooper is happy to discuss these with you. Please make an appointment through the school office.

We have held a number of themed days to celebrate events including Mother's Day, Easter and St George's Day which all received a good response and the children enjoyed. Keep a look out on our newsletters for future events.

DID YOU KNOW?

Revised Food Standards became statutory in January 2015 and include the following criteria:

- * Starchy food cooked in fat allowed only twice per week
- * Oily fish once every 3 weeks
- * A dessert containing 50% fruit twice a week or more
- * Wholegrain starchy food at least once a week
- * Portioned fruit and yoghurt to be available daily
- * For vegetarians, a non dairy option at least 3 days a week
- * Low fat mil to be available as a drink during the day for KS1 pupils

Your child can order a school meal through their class teacher each morning. You can also book an occasional school lunch.

Have a regular meal one day a week which is ideal when children have a busy evening of clubs.

Why not have a hot meal after class swimming sessions.

Children in Reception to Year 2 are entitled to Universal Free School Meals every day so there is no need to send your child in with a packed lunch. This Government initiative is proving to be very successful in ensuring that children eat a balanced diet which helps them to learn and develop.

Parents with children in Years 3-6 can top-up their account through Parent-mail. If your joint family income is under £16,190, then you may also be entitled to apply for Free School Meals and the school will also receive additional funding.

Learning for Life
