## **REMINDERS**

### Contact Details

If you or any of your contacts have changed their address or telephone number recently, please could you ensure the school has been informed by completing our blue contact form available from our information area outside the office.

### House Badges

House badges have been given to all children within school. We only had a limited number, therefore the children are responsible for these and if lost no replacements will be given out.

### Dogs

We would like to remind you that no dogs are allowed on the school site at any time. The footpath is narrow and crowded at drop-off and pick-up times and may become unsuitable for timid animals.
