

LEARN TO CODE

AT HARLOW COLLEGE

NEW FOR AUTUMN 2019

CLICK TO BOOK

Would you like to learn the basics of coding?

Swift Playgrounds is a fun app that makes learning Swift interactive and fun and it requires no coding knowledge! Solve puzzles to master the basics using Swift - then take on a series of challenges and step up to more advanced playgrounds.

Harlow College are offering a **NEW** coding club for school students in Years 5 -11 to learn the basics of Swift Code!

We have 4 after school sessions running on:

- **Monday 7th October 4-5pm**
- **Tuesday 8th October 4-5pm**
- **Monday 14th October 4-5pm**
- **Wednesday 16th October 4-5pm**

Spaces will fill up quickly so prior booking is essential.

Book your space today!
