Dear Parents and/or Carers

RE: SCULPTURE WEEK

Throughout the week beginning Monday 14th October, everyone at school will be involved in a Sculpture Week. Over the past 70 years, a collection of over 90 public sculptures has grown in and amongst the residential, civic and leisure areas across Harlow, earning it the accolade Harlow Sculpture Town.

We are going to celebrate this in school by creating our own sculptures in class linked to our topics using a range of different materials. At the end of the week, teachers will choose the best sculpture produced in class and that child will get an award.

Alongside this, we are asking pupils (and therefore their parents/carers) to go and see as many sculptures as they can and have a photo taken next to it. Feel free to get started now! Please see attached showing where the many sculptures are. These photos will need to be sent by email or given in to the office by **6pm on Thursday 17th October** so we can see who has visited the most sculptures. This child will also get an award.

The awards will be given out during our celebration assembly on Friday. Due to the number of people, we are not able to invite parents/carers in for this assembly.

However, we will be holding an open classroom event on **Friday 18th October at 3pm** for parents/carers to come in and see what each child has produced. The week will culminate in a Big Draw Event happening in Harlow town centre on Saturday 19th October.

We really hope that you will show your support for this exciting event.
