Templefields Multi-Academy Trust

11 November 2019

Dear Parents

LIBRARY EVENTS

As you may be aware, we are focusing on developing reading throughout the school this year. One of our areas is to increase the enjoyment of reading and therefore we are promoting use of the school library.

Last week in assembly the children were told about a reading marathon they can take part in when they visit the school library. This involves completing the marathon by reading 26 books and receiving a special certificate and prize. The children have the opportunity to visit the library during lunchtimes as well as other opportunities with their class teacher where possible.

The library will also be open for one session after school each week. The children can visit the library after school with the person that has collected them. They can come along and share a book with their adult and take a book out on their library card if they wish. Each child has their own library card which is kept in the school library. The library session for this term will be:-

Thursdays 3:20-3:45pm

If these sessions prove to be very popular, we may have to limit different classes to different weeks, but you will be informed if any changes are made.

We look forward to welcoming you to our weekly library sessions and seeing enjoyment of reading in action.

Yours sincerely

Nancy Nicolson
