

Create your own 3-D Animated Film!!

New ComputerXplorers club open for registrations now!

Stop-Animation with Zu3D

Join us for a fun-packed club where we will be using the latest Stop-Animation technology to create your own animated film.

Have you ever watched a Wallace and Gromit film and wondered how they make it? Have you ever thought you'd like to have a go yourself?

In this club you will learn how animation works, create your own characters and story and then bring your ideas to life using the brilliant Zu3D software. Who know, maybe you will be the animators of the future!!

Sign up now!!! Places are limited!!

- ✓ Open to children in years 4-6 only
- ✓ Runs every Wednesday for 8 weeks from 3.20 to 4.20
- ✓ First session is on Weds 22 January
Last session is on Weds 18 March
- ✓ Cost for the course is £56

To register your child please EMAIL andrewg@computerexplorers.co.uk
with the following information:-

- Your name
- Your child's name, school & year group
- Your contact telephone number
- Your email address
- Collection arrangements (collected or permission to walk home)
- Permission for photographs to be taken and used for promotion (Y/N)
- Any other information we may need (e.g. allergies)

We will then contact you to confirm your child's place and provide payment details.
