Dear Parents and Carers

I am sure you are aware of the Government's announcement stating all schools will close at the end of the school day tomorrow. If your child is well and not self-isolating, s/he needs to come into school today and tomorrow as usual.

We are working on ways for teachers to communicate with the children in their classes during the closure. Learning books have already been sent for home learning and some work is already on your child's class page, if you are already family isolating. The class pages and seesaw will be kept up to date with new learning every day from Monday.

Although we suspected closure would eventually happen, I wanted to let you know that all schools found out about the school closure at exactly the same time as the general public. I understand you must have many questions, however it would really help us if you refrain from ringing the school. We are currently working very hard to ensure we provide you with up to date information as and when we receive it and we will contact you later today. Our website area for coronavirus is updated as soon as we receive new information.

I am currently waiting on a list of Key Workers from Clare Kershaw (Director of Education) but in the meantime if you believe you might be identified as a Key Worker, please email office@fawbert-barnards.essex.sch.uk we will collate this and once the information from the government has been received we will make a decision.

Thank you all for your continued support throughout.

Yours sincerely

Mrs Sue Spearman
