Welcome of our latest newsletter.

Dear Parents

As the term comes to an end, I wanted to take this opportunity to thank you all for your understanding and support in the last couple of weeks since we closed the school on 20th March. It seems such a long time ago that we held our last day together, dressed in our happy clothes. The resounding uptake of online learning has been amazing. The teachers have been working hard to approve all the seesaw postings and support you to support your children. I would like to thank you for the kind messages you have sent to us, they have been an amazing boost to all.

I would like to thank all the staff who have continually worked to provide daily learning to both the children at home and the children of critical workers, who have no other child care facilities. They have all stepped up and worked together to ensure the school could provide the support needed for everyone. It has been a true team effort, with everyone covering those who are unable to be in school.

As we break up for the Easter holidays I wish you all a happy, safe holiday. We will be back 9 am, on 20th April for the first lesson of the day.

Happy Easter, take care and stay safe.

Sue Spearman
