Outdoor Learning

The children regularly take part in sessions outside of the classroom. Therefore, children should have the following items to remain in school:

- Waterproof Jacket
- Wellington Boots

Children also take part in activities inspired by Forest Schools. This is an innovative education approach to outdoor play and learning. The philosophy of Forest Schools is to encourage and inspire individuals of any age through positive outdoor experiences. By participating in engaging, motivating and achievable tasks and activities in a woodland environment, each participant has an opportunity to develop intrinsic motivation, sound, emotional and social skills. These, through self-awareness can be developed to reach personal potential.

Class Pages

The following information can be found on our website class pages:

- Routines – ie PE days, book changing, music etc
- Homework and educational links to help the children/parents
- Class reminders are updated regularly
- Letters regarding trips/events taking place for the class
