Welcome to our latest newsletter.

It has been lovely to welcome back some classes and the latest introduction of Year 5 has worked well. The buzz and laughter around the school is returning and such a boost for staff. As mentioned in our last newsletter, it is unfortunate that all cannot return. We are missing you all, but everyone is doing a remarkable job with their on-line learning. We are all so proud of you and we appreciate seeing your work.

Rock Snake Our Rock Snake is growing on a daily basis with new additions. Thank you all for taking part in this and we love seeing your creations.

Win a Bike!

Sustrans has launched a 4 minute [school travel survey](#) for parents and guardians of pupils in Harlow to find out how they travel to school and what they can do to make the school run safer, healthier and more sustainable!

Have your say and be in with a chance of winning a bike and accessories worth up to £400.

Dinner orders

We are currently issuing a menu on a weekly basis to take pre-orders for the following week for those attending school. It is really helpful if you complete the survey so we have an indication of expected numbers. All meals are being cooked to order to save on wastage. If your child is not attending, please use the "bubble not attending" option and only book for the days your child will be present. Key workers should complete for those days required. Any changes on the day will be charged for.

No school meals will be provided after 17 July 2020.

Annual Reports

Reports will be given out during the week of 6 July for those attending school. These children will also bring home any siblings reports that are unable to attend.

If not received via the above, those not attending school will be able to collect your child's report on 8 July 2020 between 10:30-11:30 am and 1:00-3:00 pm.

Any uncollected reports will be handed out on 20 and 21 July to those attending their meet the teacher session. If we still have any remaining they will be posted on 22 July 2020.
