Please note that parents/carers are responsible for the care and supervision of their child(ren) at all times.

In the event of unforeseen circumstances or inclement weather this timetable may change. Please check the Harlow Council calendar for any changes or amendments www.harlow.gov.uk or join our Facebook group – School Readiness (Harlow).

Harlow Council and partners are working together to deliver the Harlow School Readiness Project. The project actively promotes the importance of a positive home learning environment and provides a wide range of activities for pre-school age children and their families where, by learning through play based activities, children can develop the skills they need to be ready to learn when they start school.

Ready for school, ready to learn, ready for life!
