**Please note that parents/carers are responsible for the care and supervision of their child(ren) at all times.**

**In the event of unforeseen circumstances or inclement weather this timetable may change. Please check the Harlow Council calendar for any changes or amendments [www.harlow.gov.uk](http://www.harlow.gov.uk) or join our Facebook group – School Readiness (Harlow).**

Harlow Council and partners are working together to deliver the Harlow School Readiness Project. The project actively promotes the importance of a positive home learning environment and provides a wide range of activities for pre-school age children and their families where, by learning through play-based activities, children can develop the skills they need to be ready to learn when they start school.

**Ready for school, ready to learn, ready for life!**
